Preparing for Commencement

Academic and Financial Requirements

1. To qualify as a candidate for a degree of associate of arts, fine arts, science, applied science, associate of arts in teaching, a certificate, or a letter of recognition as appropriate, you must complete all courses required in the curriculum. Alternative courses, other than those specifically required, must be approved by your academic advisor, the registrar, and in some cases, the Academic Appeals Committee.
2. To graduate, you must have a minimum curriculum and cumulative grade point average of 2.0. If your overall grade point average equals or exceeds 3.4, you will graduate "with honors." Potential spring 2020 graduates must have a 3.4 or higher grade point average by the end of the fall 2019 semester to be recognized with honors at the commencement ceremony.
3. If you transfer credits from another college to fulfill requirements for commencement at Montgomery College, you must have your transcript(s) on file in the Office of Records and Registration on or before May 8, 2020.
4. If you are a spring 2020 commencement candidate and you have a grade of "I," it must be resolved on or before May 8, 2020, or you will not be eligible for spring 2020 commencement.
5. To participate in the ceremony, you should be a summer or fall graduate or have submitted a graduation application for spring.

Open periods for online graduation application:

Fall	Spring	Summer
June 2–October 1	October 2–February 15	February 16–June 1

Summer and fall 2019 graduates, as well as potential graduates for spring 2020, will receive a graduation packet. The packets will be sent to the College email on file and will be sent via U.S. mail to the address on file (please be sure to check on MyMC that the email and address provided are up to date). The packet will contain important information including deadlines, a link to the participation form, and ticket information. Potential graduates must follow the link provided in the packet they receive to indicate that they want to participate in the ceremony.

The graduate participation website will be open from March 9 through April 10, 2020. Students who miss this deadline and indicate after April 16 that they want to participate in the ceremony, will have the opportunity; however, the following will apply:

- They will not receive guest tickets; their guests can view the ceremony in the alternate viewing locations.
- They will be placed at the end of the procession line.
- They will not have their name shown on the screen in the tent.

6. You should satisfy all financial obligations (tuition balances, parking tickets, etc.) on or before May 8, 2020.
7. If you are a Federal Stafford Loan and/or a Federal Direct Loan borrower who is graduating, transferring, or both, you must complete the required Loan Exit Counseling by April 30, 2020, at studentloans.gov and select Complete Exit Counseling. Review your loan history and complete exit counseling. **Print the Confirmation of Completion.** Then fill out the Loan Exit Reference form located on MyMC under the Financial Aid tab. **Print the Loan Exit Form. Submit both documents (Confirmation of Completion and Loan Exit Form) to the Office of Student Financial Aid on your campus.** Loan exit counseling instructions are available at the Financial Aid Office. For answers to questions regarding the repayment terms for your particular loan, contact your assigned loan servicer.

Ceremony and Recessional

Presentation of Graduates and Awarding of Degrees

After the honorary degrees are awarded, Dr. Sanjay Rai, senior vice president for academic affairs, will present all of the graduates. All graduates will stand in unison and remain standing until Dr. DeRionne Pollard, president, confers the degrees and Ms. Gloria Aparicio Blackwell, chair, Board of Trustees, awards the diplomas. Then all graduates will be seated.

To ensure a timely flow of graduates, an usher will signal to the graduates when they should stand and file out to receive their diploma covers and assist them on their return to their seat.

Receiving Your Diploma Cover

Those graduates sitting at the outside ends of each aisle should remain especially alert and watch for the usher's signals.

When proceeding toward the stage to receive your diploma cover, give the card bearing your name to the reader at the stage. As you proceed across the stage, you will shake hands with President DeRionne Pollard and a trustee, who will hand you the diploma cover.

Look for the usher's direction to return to your seat and remain seated until ceremony end.

Be sure to attend the May 19 commencement rehearsal, where these procedures will be reviewed.

Indoor Viewing

An indoor viewing area of the commencement ceremony is available in the Robert E. Parilla Performing Arts Center and in the Theatre Arts Building for guests who wish to avoid the crowds, heat, sun, etc. These areas are air conditioned and are recommended for elderly guests and guests with small children. No tickets are required for admission to the indoor viewing areas.

Recessional

The recessional follows the induction of graduates into the Alumni Association. Graduates will exit in pairs down the center aisle (one from the left, one from the right—watch for the usher’s signals) in the following order:

- Platform guests (those seated on the stage)
- Administrators, faculty, and staff
- Deans of student affairs (in pairs)
- Graduates

You should plan to meet your guests outside the ceremony area after commencement at the reception in Parking Lot 3.

Following commencement, you will be notified when diplomas will be ready for pickup at the Office of Records and Registration—estimated the last week of July. If you pre-ordered a diploma frame online or at the Grad Finale, pick up your frame immediately following commencement at the Alumni Association tent. If you do not pick up your pre-ordered diploma frame on the day of the event by 1:30 p.m., please visit the Alumni Association office located at 9221 Corporate Boulevard, Rockville, MD 20850 on Thursday, May 28, to pick up your frame.
