

Accessing your Digital Course Materials-

Go to your Slingshot Portal – either from Blackboard, or
at montgomerycollege.slingshotedu.com

Log in using your MC Credentials

You will arrive on the Dashboard, select the My Course Materials Tab, and then Digital materials may be accessed from the Access Material Button.

Some digital materials will then provide further instruction and/or codes for accessing courseware programs.

****Some textbooks especially digital courseware such as WileyPlus, McGraw Hill Connect or Pearson Mastering may require further redemption. For these programs see step 2 below.**

Step 2 - Redeeming Courseware - when you select the access materials you may be taken to a second window, in which a pop up window will appear in the top right corner. Select the blue [Instructions](#) link and follow the directions to redeem the courseware code that will be shown.
