

Greetings, Raptors!

Beginning Spring semester 2026, Montgomery College will provide all instructor-required course materials (ex. textbooks, art supplies, safety goggles, etc.) through Slingshot Choice, a new delivery system powered by our partner, Slingshot. This service makes it easy to have everything you need on day one!

### **Here's What You Need to Know**

When you register for Spring classes, you are automatically enrolled (opted-in) in Slingshot Choice. By default, all required materials will be delivered to the Rockville Campus Store. You can update your delivery location and material format (new, used, or digital) preferences through the [Slingshot portal](#).

### **Why Use the Choice Model?**

- Focus on learning from day one
- Have your course materials ready before classes start
- Save time and reduce stress
- Have your instructor-required course materials shipped to you –OR– pick up at one of the [campus locations](#)

### **Simplified Billing**

Charges for course materials are billed directly to your student account and can be covered by financial aid book vouchers if applicable. Visit the [Payments webpage](#) for details on viewing and paying for your course materials.

### **Prefer to Shop on Your Own?**

You can easily opt out of the Choice Model program with one simple click – [How do I opt out of the Choice Model program?](#). If you choose to opt out, this means you are responsible for finding and purchasing all course materials on your own.
