

How do I opt out of the Choice Model program?

Beginning Spring 2026, all students will be automatically opted into **Slingshot's Choice Model program** to ensure they have course materials and are prepared for the start of the semester. If you prefer to find and buy your course materials another way, you can choose to opt out of the program.

1. Visit the MC Campus Store and login with your MyMC account.
2. Select **My Account**.
3. From the **Course Material Preferences** menu, select **Opt-Out**.
4. You will receive a pop-up message showing your preferences have been updated.

Reminder, once you are opted out of the program, you are responsible for finding and buying course materials. You can always opt back into the program by updating your Course Material Preferences.
