***Describe "Other" under Container Type. If you split an order between multiple locations, supervisors, etc. , use a separate row for each container where the storage information has changed and enter the appropriate location, etc. here. Use this space for any additional information you believe would be helpful.*

Attach this form to the MSDS for the material you have added to your inventory. Send it to Sharmila Pradhan, Environmental Safety in Central Facilities, 40WG. If you have any questions, contact Sharmila by [email](#) or phone (x74308).
