**Subject:** Administrator Leadership Awards for 2023

**Date:** November 30, 2022

I am pleased to issue the call for nominations for the 2023 Administrator Leadership Awards. The purpose of these awards is to recognize and celebrate outstanding administrators who exemplify excellence in serving and supporting students, leading collegewide initiatives, and driving innovation.

The Administrator Leadership Awards (ALA) are awarded based on three categories: Excellence in Leading a Collegewide Initiative, Excellence in Innovation, and Excellence in Serving Students. The senior vice presidents and chief of staff/chief strategy officer will review and recommend recipients to the president from the pool of ALA nominations. The awards recognize individuals who consistently exemplify exceptional performance, leadership, and service that has a broad impact on the collegewide community. The awards are non-monetary and consist of a collegewide recognition of the administrator's service through a keepsake and a note for their personnel file.

Please visit the online [submission form](#) to nominate administrators and [review more information](#) about the award categories. **All nominations are due by 11:59 p.m. on Tuesday, April 3, 2023.** If you have any questions regarding the 2023 Administrator Leadership Awards, please send them to [recognition@montgomerycollege.edu](mailto:recognition@montgomerycollege.edu).

Montgomery College is fortunate to have so many dedicated administrators deserving of recognition. Thank you for your continued commitment and service to the College.
