**Subject:** **Montgomery County 2025 Commuter Survey**

**Date:** April 16, 2025

Periodically, Montgomery County asks selected employers to participate in a commuter survey to collect data on commuter driving and transit patterns and related transportation information. This year, Montgomery College has been selected to have our employees participate in the survey.

**Your participation in the survey is important.** The information obtained is used by Montgomery County and other government agencies to plan and improve transportation services around our worksite, the County, and the region.

In appreciation for completing the survey, all employees who complete it are eligible for weekly prize drawings for \$50 gift cards -- and there will be a \$250 grand prize gift card awarded at the end.

In completing the survey, please note the following:

- Please use this link to complete the survey by **Monday, April 21, 2025:**

- If you wish to enter the prize drawing, please enter your name and phone number at the end of the survey. Your response is confidential. Should you provide your name for the prize drawing you will NOT be contacted for any other purposes.

**Thank you for participating in the survey!** By doing so, you are helping improve commuting throughout the area and helping to make Montgomery County an even better place to live and work.
