SERVING OUR MEMBERS

READ OUR TESTIMONIALS

"I have nothing but praise for my attorney and his assistants. The one letter from my attorney got me the reimbursement immediately. I was quite relieved that I did not have to go to court. The law firm was able to get my former dentist to refund me an overpayment of over \$3000 which I had been pursuing for over a year!"

"My daughter was involved in an automobile accident in D.C. My attorney explained how to deal with our insurance company and he even coached my daughter on her statement. We won the case because he knew about an obscure law that turned the case in our favor and it saved us a few thousand dollars. I will never be without Legal Resources."

"My husband went in for a stress test. They stopped it and told him they needed to get him to a cardiologist who said a quarter of his heart was blocked, and he had to have surgery right away. I panicked. I had nothing. No power of attorney, no DNR, no will. Within 2 days, my law firm had everything done before he went in for surgery. When it came time for the surgery, I could concentrate on him and his health and not have to worry about the other things."
