

Activate Duo Push

1. Go to the [enrollment](#) website
2. Click on **My Settings & Devices** first

The screenshot shows the Duo enrollment interface for Montgomery College. On the left is the MC logo. Below it are links for 'What is this?', 'Add a new device', 'My Settings & Devices' (circled in red), and 'Need help?'. A red callout box with the text 'Click My Settings & Devices first' has an arrow pointing to the 'My Settings & Devices' link. The main area contains a 'Device:' dropdown menu set to 'iOS (XXX-XXX-XXXX)', a 'Choose an authentication method' section with a text input field containing 'ex. 867539' and a 'Log In' button, and a checkbox for 'Remember me for 7 days'. At the bottom, there is a blue bar with the text 'Enter a passcode from Duo Mobile or a text.' and a 'Text me new codes' button with a close icon.

3. Authenticate using passcode or token (click on "Text me new codes" in the blue box if needed)

5. Click on **Activate Duo Mobile**

6. Choose your device's operating system and click **Continue**

7. Install Duo Mobile on your mobile device by going to the app store. Once installed Click on "I have Duo Mobile installed". Open Duo Mobile, tap the "+" button in the upper right corner of the app. Scan the barcode on the computer screen. Note in order to scan the barcode, the Duo Mobile application will request access to the phone camera, please temporarily allow. This process will activate the app and link it to your account so you can use it for authentication. Camera access can be disabled after activation.
