

How Do I Enable Duo Push?

You may enable Duo Push using the MC Device Management Portal.

If you need assistance contact the IT Service Desk, 240 567-7222.

Go to the [MC Device Management Portal](#).

The system will prompt you to authenticate:

The image shows the Montgomery College login portal. At the top is the MC logo and the text "MONTGOMERY COLLEGE". Below this is a dark purple banner with the text "Enter your MyMC ID and Password". Under the banner are two input fields: "User Name" with a person icon and "Password" with a lock icon. To the right of the password field is a purple "Sign In" button. Below the input fields is a row of links: "Forgot Password", "Find your MyMC ID", "Claim Your Account", "My Account", and "Password Reset".

In the MC Device Management Portal, you will see your Duo registered devices. **Choose “I have a new phone”.**

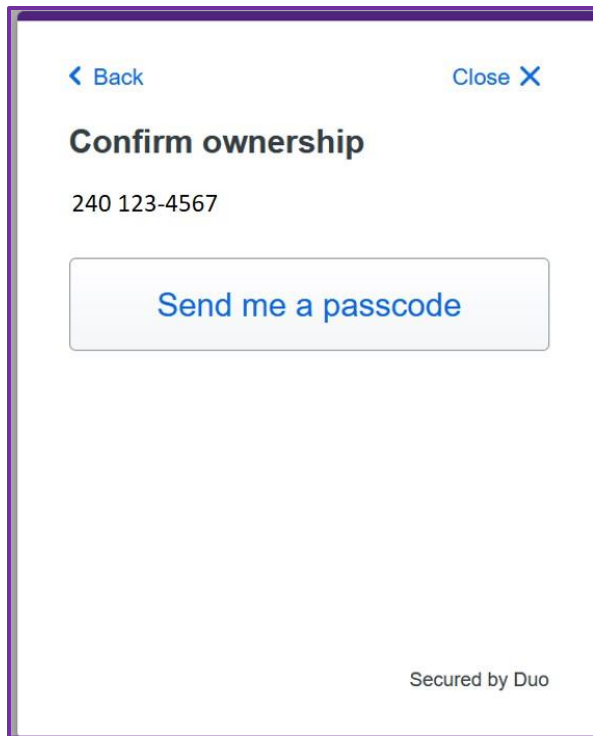

Note: This is how you make edits to your existing phone or a new phone with the same phone number.

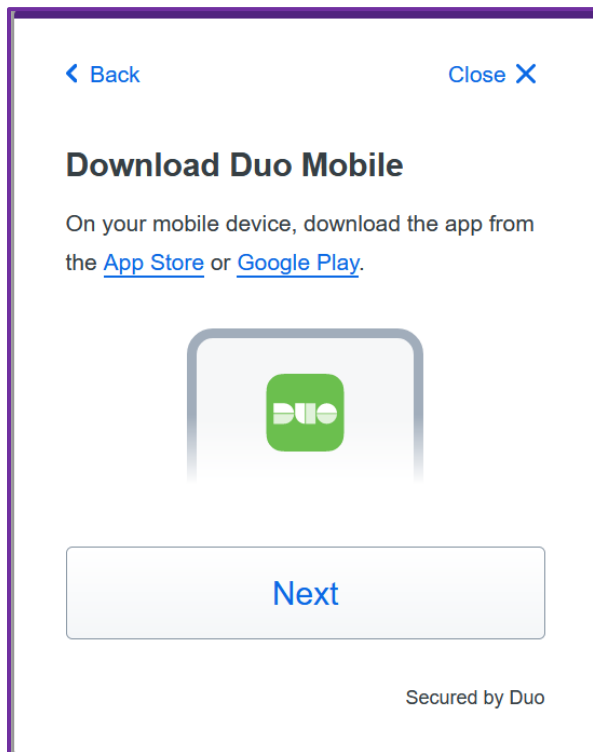

Follow the prompts to set up Duo Mobile:

Choose “Send me a passcode”:

Download the Duo Mobile app from the App store or Google Play onto your device; **choose Next:**

Open Duo Mobile, choose “**Add +**”, then select “**Use QR code**”. Scan the code:

Duo Mobile is now activated. Choose Duo Push when authenticating to MC Duo protected applications – MyMC, MS Office 365, VPN, etc.

✓ Added Duo Mobile

You can now use Duo Mobile to log in using a push notification sent to your mobile device.

Since you added a phone number, you can also use text messages.
