

## Overview

Use this job aid as a resource to review your courses through the Instructor Schedule Calendar and to print or manage a course roster.

## Review Course

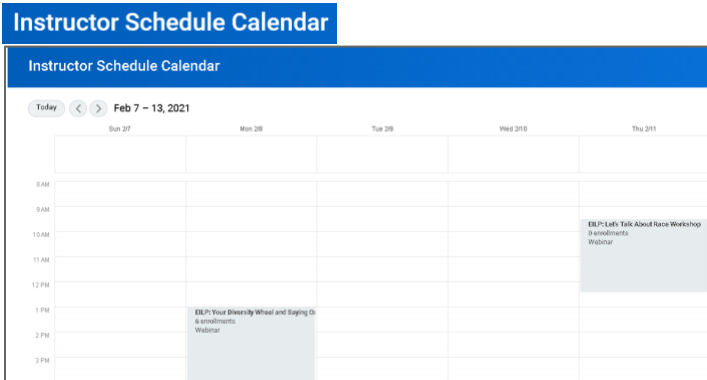

- From the Workday homepage, click the **Learning Trainer** application.

- Under **Menu** click **My Schedule**.

- Using your **Instructor Course Calendar**,

- Locate and click on the **course title**.

- Click **View Course**.

- Review the **Course Details** using the information tabs:

- **Lessons:** Review the details of course lesson(s)
- **Advanced Details:** Review the delivery type and course capacity details
- **Enrollments:** Review the learners enrolled in the course and their status
- **Grading and Attendance:** Review learner's attendance and grade

**Note:** if grades and attendance are not entered the report will show blank fields or a Not Entered status. Review the Manage Grades and Attendance job aid to see how to enter those details.

## View Course and Print Roster *Workday Reference for Instructors*

7. From here you can take additional actions including:
- **Manage Roster:** Enter attendance, scores, and overall grade.
  - **View Comments:** View comments about the course left by learners.
  - **View Waitlist:** Review names on the waitlist.
  - **Add to Calendar:** Downloads the course content to an Outlook calendar invite you can save to your calendar.
  - **View as a Learner:** View the course details in the Learner view.

### Print Roster

1. From the Workday homepage, click the **Learning Trainer** application.

2. Under **Menu** click **My Schedule**.
3. Using your **Instructor Course Calendar**, locate and click on the Course Title.

4. Click **View Course**.

5. Click the **Enrollments** tab to view a table of learners enrolled in the course.

6. Click the **Export to Excel** icon at the top right of the table.

7. Click the **Download** button in the Export Document pop up

8. Right click the file at the bottom of your screen and click **Open**.

## **View Course and Print Roster** *Workday Reference for Instructors*

9. Use the Excel file to create the roster for your course offering. You can:
  - Change the header to reflect the course name
  - Delete the **Enrollment Status** and change it to **Signature**.
  - Insert columns to capture other details if desired.
  
10. Print the roster and bring it with you to your course offering to use as a sign-in sheet.
