CAR
(Planning Stage)

Due: Oct 1st, 2026

What to do:

The Collegewide Area Review (CAR)

****The CAR Report represents the planning stage for initiating each 5-year integrated assessment cycle.**

This report provides an overview of the current alignment and relevance of a program's curriculum and success with retaining and matriculating students. Disciplines who do not have a certificate or degree program are also required to complete a modified version of the CAR Report. Similarly, a modified "Administrative Review" is completed to review an administrative area's success with achieving outcomes and institutional priorities.

Depending on the program, discipline, or administrative unit, this collegewide report will consist of some (or all) of the following components (as may be applicable):

- *General Information on the degree program, discipline, or administrative unit*
- *Overview and mission*
- *Discussion of curriculum, outcomes, institutional priorities, and alignment with professional standards*
- *Last Accreditation report (if applicable)*
- *Advisory Board (if applicable)*
- *Size and scope of the program, discipline, or area completing the review*
- *Assessment plan & results*
- *Outcomes and assessment (summary of changes for improvement, etc.)*
- *Student feedback (if applicable)*
- *Educational/Career growth opportunities*
- *External Reviewer (optional or required for programs)*
- *SOAR analysis*
- *Updates on previous CAR recommendations*
- *New Recommendations for moving forward*
