MC 2020 Strategic Themes and College Area Review Reporting

Since 2014, as part of the College Area Review process, both academic areas and administrative units are asked to identify activities that they are doing to meet the MC 2020 strategic themes. Additionally, all college units are asked to link the MC 2020 strategic themes to their recommendations for institutional improvements and student success. Below are the specific questions asked in the program review process for administrative units and academic areas since 2013.

Administrative Units: Administrative Review and Assessment

Question asked in the 2013 and 2014 Review:

- Briefly describe the unit's mission and goals and how they relate to the overall mission and goals of the College? Given the College's mission and the MC's 2020 strategic themes, what is the unit doing to meet these themes based on the services it provides to the College community? *(List unit's MC 2020 initiatives and status)*

Question asked in the 2015 and 2016 review:

- List the goals of the unit and indicate how they relate to the overall mission of the College? Given the College's mission and the MC's 2020 strategic themes, what is the unit doing to meet these themes and related initiatives? *(List unit's goals and MC 2020 strategic themes and assigned initiatives and status of each initiative in the table below.)*
