

General Education Competency Assessment Cycle

Areas will assess twice in a 6-year cycle:

Year 1- Data Collection/reporting

Year 2- Review Data, update action plan

Year 3- Implement action plan Year 4-

Data collection/reporting

Year 5- Review Data, update action plan

Year 6 Update action plan, review and update course assessment plan

Assessment Process Timeline

Academic Year	Cycle A/ Foundations +ARTS /Health	Cycle B/ Humanities Distribution/Mathematics	Cycle C- BSSD/NSLD/NSND	Competency Data Collection By Year
2017-18 (Year 6)	<i>Update action plan, review and update course assessment plan</i>	Review Data, update action plan	Data Collection/Reporting	Critical Analysis, Information Literacy, Scientific and Quant. Reasoning
2018-19 (Year 1)	Data Collection/Reporting	<i>Develop and implement Course Assessment Plan</i>	<i>Develop Course Assessment Plan</i>	ALL
2019-20 (Year 2)	Review Data and develop action plan	Data Collection/Reporting	<i>Develop and Implement Course Assessment Plan</i>	Critical Analysis, Info Lit, Written and Oral, Quantitative Reasoning, Integrative Learning
2020-21 (Year 3)	Implement action plan	Review data and develop action plan	Data Collection/Reporting	Critical Analysis, Information Literacy, Scientific and Quantitative Reasoning, Integrative Learning
2021-22 (Year 4)	Data Collection/Reporting	Implement action plan	Review data and develop action plan	ALL
2022-23 (Year 5)	Review Data, update action plan	Data Collection/Reporting	Implement Recommendations	Critical Analysis, Info Lit, Written and Oral, Quantitative Reasoning, Integrative Learning
2023-24 (Year 6)	<i>Update action plan, review and update course assessment plan</i>	Review Data, update action plan	Data Collection/Reporting	Critical Analysis, Information Literacy, Scientific and Quantitative Reasoning, Integrative Learning

- Data Collection occurs in Fall, Spring, or Spring and Fall depending on the enrollment of the courses.
- Courses with more than 7 sections would be split between Fall and Spring
- Courses with fewer than 7 sections would collect data Fall and Spring.
- Courses offered infrequently would collect data whenever they are offered.
