**KAIVAC 1750 NO TOUCH CLEANING SYSTEM  
RFB NO.: 419-014  
RFB CLOSING DATE AND TIME: JUNE 26, 2019 AT 3:00 PM**

**ADDENDUM #1**

**ISSUED DATE: JUNE 25, 2019**

This Addendum is to provide answer to the following question:

Item 1-1 Question: We would like to request approval of EDIC 2700 RC CR-2 as the alternate and or equivalent for KAIVAC 1750. We demonstrated the actual unit on June 18, 2019. Enclosed is the specifications for EDIC 2700 RC CR-2. Please review and advise if it is sufficient.

Answer: Based on the review of enclosed specifications and the product demonstration, EDIC CR2 2700RC Touch Free Restroom Restoration System is hereby approved as the alternate for KAIVAC 1750 NO TOUCH CLEANING SYSTEM.

Delete Section 2.2 General Specifications in its entirety and replace with the following:

**2.2 General Specifications**

Bidder must provide pricing including supply and delivery of five (5) Kaiva1750 no-touch cleaning systems or EDIC CR2 2700RC Touch Free Restroom Restoration System. In order to be considered for award, **Bidders must bid for all items listed in the Price Proposal Form. Assembly is required.** All machines must be new and not remanufactured, and/or refurbished. Brand name product specified herein, Kaivac 1750 no-touch cleaning system and EDIC 2700 RC CR-2 are known and acceptable. Bids to propose Alternates brands are invited as long as they are of equal type and equal or better in quality and performance. The burden of proof that alternate brands and models are equal or better falls on the Bidders, and proof must be to the College's satisfaction and provided to the Procurement Office prior to bid opening date for evaluation and approval.

The manufacturers' web link for the specified product specifications are available at: [www.kaivac.com](http://www.kaivac.com) and <https://www.edic-usa.com>.

All other specifications, terms and conditions remain unchanged.

Patrick Johnson, MBA  
Director of Procurement

### TOUCH-FREE RESTROOM RESTORATION SYSTEM

Maintaining a clean and healthy restroom environment at any public facility can be challenging if you don't have the right tools for the job. The **CR2** from EDIC simplifies restroom cleaning for professional cleaners and provides a proven **touch-free cleaning system** for unmatched cleaning results that you don't have to get your hands dirty to achieve.

**5 YEAR  
WARRANTY**

### Deep Clean Restrooms Without Getting Your Hands Dirty

- Touch-free system deep cleans where mop and bucket fail, leaving the restroom clean and healthy
- Adjustable 550 psi pump (operating pressure 75-500 psi) provides versatile and effective cleaning into the porous tile and grout lines and hard to reach places
- Pump adjusts down to 75 psi in rinse mode to reduce splashing and overspray when rinsing toilets and other fixtures
- Clean carpet with HEAT! Optional 2000 watt external heater - boosts cleaning performance
- Complete Package: Squeegee wand with dual head, spray gun, gulper tool, QuickDri, hand squeegee, sink attachment, and hoses included
- Built-in auto chemical feed system for high productivity and accurate chemical metering
- Wand, gun, and hose caddies designed for easy transport and storage
- Large 17 gallon capacity for long run-times
- Optional carpet cleaning kit for deep restorative carpet and upholstery cleaning
- Simple two bolt access to components for easy maintenance and service
- Laminated operations card with links to training videos
