SECTION 2 – BACKGROUND AND SCOPE OF SERVICES

2.1 Background

Montgomery College is Maryland's second oldest community college. The College serves roughly 55,000 students each year, through credit and noncredit programs, at nonresidential campuses located in Germantown, Rockville, and Takoma Park/Silver Spring and at off-campus sites throughout Montgomery County. To support students' academic and professional goals, the College employs more than 3,100 faculty, administrators, and staff.

2.2 Scope of Services

Montgomery College (MC) seeks a qualified vendor to provide a College-Wide, Cloud Based Video Content Management System that will be utilized by multiple stakeholders (i.e., Faculty, Staff, MCTV, Disability Support Services, Academic Departments, etc.) to facilitate the use of and manage access to video content.

The scope of this project will be limited to identified College departments that utilize videos more than once for instructional purposes. This will assist with streamlining processes and develop baseline data on usage and captioning cost. The intention is to expand access to the video management system and captioning services to other departments several years out. Inventory would include inhouse developed content, curated content, and 3rd party content (e.g. YouTube, Screencast-O-Matic, etc.).

The primary function will be to support the use of video content in teaching and training, to address compliance with captioning and accessible media content, and to facilitate centralized captioning support for the College community. MC has experienced an increase in the demand and need for closed captioned media content. Thus, MC seeks a solution to proactively caption video content, store and organize video content, and seamlessly integrate video content with the College's learning management system (LMS) that supports content creators and users to ensure compliance with ADA, Section 504, and WCAG 2.0 AA standards.

2.3 Project Award and Schedule

The anticipated timeframe for issuing Intent of award to the highest evaluated and most responsible, responsive Offeror is May, 2021. The estimated start date for the contract will be June 22, 2021, if approved by the Board of Trustees at its June 21, 2021 meeting.

Further, should there be any dispute/discrepancy on acceptability of said service, decisions made by the College will prevail and be final.

AWARD CONSIDERATIONS Awards of this bid will be made to the lowest responsible Bidder conforming to specifications with consideration being given to quantities involved, time required for delivery, purpose for which required, responsibility of bidder and its ability to perform satisfactorily with consideration to any previous performance for Montgomery College. A bid may be awarded at the sole discretion of the College in the best interest of the College. Prompt payment discounts will not be considered in bid evaluation.
