**SECTION 2 – BACKGROUND AND SCOPE OF SERVICES**

**2.1 Background**

Montgomery College is a public, fully accredited, two-year open-admission institution of higher education and is Maryland's second largest and second oldest community college. Founded in 1946, the College serves more than 50,000 students each year, through credit and non-credit programs, at non-residential campuses located in Germantown, Rockville, and Takoma Park/Silver Spring and at off-campus sites throughout Montgomery County. Details are available at [www.montgomerycollege.edu](http://www.montgomerycollege.edu). To support students' academic and professional goals, the College employs more than 3,100 faculty, administrators, and staff.

Over its 70-year history, the College has developed a wide range of successful educational programs, services, and outreach activities that benefit the County, State, and region. The most visible aspect of the College's mission is manifested by what happens in the classroom, but this progress depends upon a variety of support services and operations. Providing students with alternative scheduling and delivery models to fit their lives are key parts of that support.

We strive to understand, support and increase student, donor and alumni success and involvement. To successfully grow our institution, we need to successfully attract, retain and graduate the students that enroll at the College, converting them to lifelong MC constituents. This requires collaboration across many campus offices that communicate with students, donors and friends, via phone, letter, email and social media. At present, the management, communications and feedback mechanisms are often reliant upon manual queries, communications and reporting processes and tasks.

**2.2 Scope of Services and Deliverables**

The Governor of the State of Maryland has established a fund to help Maryland residents who have been impacted by COVID enroll in workforce training classes and related support that leads to a labor market recognized credential, so that students can return quickly to work. The Governor's Emergency Education Relief (**GEER**) fund has already helped hundreds of students at Montgomery College, and will continue to do so until March of 2023.

The College seeks a cloud-based customer relationship management (CRM) and data management software solution to manage the GEER grant. It should provide highly customizable functionality for pre- and post-enrollment case management for students enrolling in Workforce Development and Continuing Education (WDCE) courses funded by the GEER grant. The system will support student tracking and grant-required reporting.

**2.3 Project Approach/Timeline**

The Proposer should include in its response a sample work plan and proposed schedule showing tasks and time frames necessary to complete the scope of services.

To include but not limited to the following:

- Approach to scoping and conducting the project; efforts that may be needed to ensure a successful project; work and management methodology; activity coordination methodology and consideration of areas not addressed, but deemed essential to the effective conduct of the project.

**RFP NUMBER: E522-007**  
**RFP CLOSING DATE AND TIME: OCTOBER 18, 2021 @ 3:00 PM**

**ATTACHMENT E – GENERAL CONDITIONS AND INSTRUCTIONS-continued**

**BIDDING INSTRUMENTS** Bidding instruments include the bid, addenda, general terms and conditions, contract terms, and specifications. Bids should be prepared simply and economically, and should provide a straightforward, concise description of the Bidder's capabilities to satisfy the requirements of the bid. Emphasis should be on completeness and clarity of content. The Bidder will bear any and all costs incurred in the preparation and submission of bids.

**BRAND NAMES** Brand name materials used in these specifications are known and acceptable. Bids including proposals to use alternate brands are invited as long as they are of equal type and equal or better quality. The burden of proof that alternate brands are in fact equal or better falls on the Bidder, and proof must be to the College's satisfaction.

**CARE OF PREMISES** Precautions taken for safety and protection shall be in accordance with the mandatory requirements of the safety codes prevailing within the jurisdiction in which the work is to be performed. During the performance of the contract, the Contractor shall take the necessary precautions to protect all areas upon which or adjacent to which work is performed as a part of this contract. Any damage caused as a result of Contractor's neglect, directly or indirectly, shall be repaired to the College's satisfaction at the Contractor's expense.

**CANCELLATION** Montgomery College reserves the right to cancel this bid solicitation or to reject all bids received, if the College's Vice President of Procurement, in accordance with procedures approved by the College's President, determines that it is fiscally advantageous or in the best interest of the College to cancel the bid.

**COMPLIANCE WITH LAWS** Bidder agrees to comply, at no additional expense, with all applicable Executive orders, Federal, State, bi-county, regional and local laws, ordinances, rules and regulations in effect as of the date of this agreement and as they may be amended from time to time, including but not limited to the equal employment opportunity clause set forth in 41 CFR 60-250.4.

**CONFLICT OF INTEREST** No employee of the College or of the State of Maryland, or any department, commission, agency or branch thereof whose duties as employees include matters relating to or affecting the subject matter of this bid shall, while an employee, become or be an employee of the party or parties contracting with the College, the State of Maryland, or any department, commission, agency or branch thereof.

**CONTINGENT FEES** Bidder hereby declares and affirms that neither it nor any of its representatives has employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee or agent working for the Bidder, to solicit or secure a contract, and that it has not paid or agreed to pay any person, partnership, corporation, or other entity, other than a bona fide employee or agent, any fee or any other consideration contingent on the making of a contract as a result of this solicitation.

**CONTRACT AMENDMENTS** The College, without invalidating the contract documents, may submit a written request to order extra work or to make changes to the agreement by altering, adding to, or deducting from the work, and the contract sum shall reflect such changes. Price adjustments must be accepted, in writing, by Montgomery College before the supplier performs additional work on the project. The Contractor cannot accept purchase requests for products or services that are not covered in this contract or make changes to the scope of work unless a price for those products or services has been negotiated with the College, and the Contractor has received a signed contract amendment from the Procurement Office.

**CONTRACT DEADLINES** The Contractor is contractually obligated to meet all agreed upon deadlines. Failure of the Contractor to meet any deadline is grounds for termination by default. If the Contractor defaults, the College reserves the right to assess liquidated damages and/or make an open market purchase.

**CONTRACT DOCUMENTS** Unless otherwise noted, the general conditions of this bid, the Contractor's bid, and the signed purchase order form the contract. Contractors requiring a signed contract form separate and apart from the foregoing are to submit the contract with their bid. The Contractor's contract form will be examined and evaluated along with the Contractor's bid and, at the College's option, may be utilized as the contract.

**CONTRACTOR IDENTIFICATION** Contractor's employees are required to wear identification badges and/or carry picture identification when they are on College grounds.

Bids already submitted may be withdrawn without penalty prior to bid opening. Errors discovered after bid opening may not be corrected. In the case of an error in price extension, the unit price will govern. The intention of the Bidder must be evident on the face of the bid.

**FAILURE TO DELIVER** If the Contractor fails to comply with any established delivery requirements, the College reserves the right to make an open market purchase of required items and to assess, as liquidated damages, the difference between the contract price and the actual cost incurred by the College and to invoice charges to the Contractor.

**INDEMNIFICATION** The Contractor shall be responsible for any loss, personal injury, expense, death and/or any other damage which may occur by reason of Contractor's acts, negligence, willfulness or failure to perform any of its obligations under this agreement. Any acts, negligence, willfulness or failure to perform any of the Contractor's obligations under this agreement, on the part of any agent, director, partner, servant or employee of Contractor are deemed to be the Contractor's acts. Contractor agrees to indemnify and hold harmless the College and its trustees, employees, agents and students from any claim, damage, liability, injury, expense, and/or loss, including defense costs and attorney's fees, arising directly or indirectly out of Contractor's performance under this agreement.

Accordingly, the College shall notify Contractor promptly in writing of any claim or action brought against the College in connection with this agreement. Upon such notification, Contractor shall promptly take over and defend any such claim or action. **NON-ASSIGNMENT AND SUBCONTRACTING** Bidder shall not assign any contract or any rights or obligations hereunder without obtaining prior written consent of the College. No contract shall be made by Bidder with any other party for furnishing the services to be performed under a contract issued from this solicitation without the written approval of the College. These provisions will not be taken as requiring the approval of the contract of employment between Bidder and its personnel.

**NON-COLLUSION** Bidder certifies that it has neither agreed, conspired, connived, or colluded to produce a deceptive show of competition in the compilation of the bid or offer being submitted herewith; Bidder also certifies that it has not in any manner, directly or indirectly, entered into any agreement, participated in any collusion to fix the bid price or price proposal of the Bidder or offeror herein or any competitor, or otherwise taken any action in restraint of free competitive bidding in connection with the contract for which the bid or offer is submitted.

**NON-DISCRIMINATION** Bidder assures the College that, in accordance with applicable law, it does not, and agrees that it will not discriminate in any manner on the basis of sex, race, age, color, creed, national origin, religious belief, handicap, marital status, or status as a disabled veteran or veteran of the Vietnam era. Bidder further agrees to post in conspicuous places notices setting forth the provisions of the nondiscrimination clause and to take affirmative action to implement the provisions of this section. Bidder further assures the College that, in accordance with the Immigration Reform and Control Act of 1986, it does not and will not discriminate against an individual with respect to hiring, or recruitment or referral for a fee, of the individual for employment or the discharging of the individual from employment because of such individual's national origin or in the case of a citizen or intending citizen, because of such individual's citizenship status.

**NON-DISCRIMINATION POLICY** The College is committed to providing a work and study environment that is free from discrimination and harassment on the basis of race, color, religious creed, ancestry, national origin, age, sex, marital status, handicap, pregnancy or status as a disabled veteran or veteran of the Vietnam era. Behavior contrary to this philosophy, which has the purpose or effect of creating an intimidating, hostile, or offensive environment, will not be tolerated by the College, and it is the Contractor's responsibility to ensure that behavior by its employees, agents, and subcontractors does not occur. This policy extends to maintaining an environment free from sexual harassment. Therefore, sexual advances or sexual remarks, requests for sexual favors, and other verbal or physical conduct of a sexual nature must not be condoned or permitted by the Contractor. This prohibition extends to harassment within the employment context as well as harassment of students, staff and visitors to the College.

Examples of equivalent access include keyboard controls used for input and synthesized speech, Braille, or other audible or tactile means used for output."

**NOTICE TO CURE** The College reserves the right to cancel the contract if the Contractor's performance is unsatisfactory to the College. It is understood, however, that if at any time during the term of the contract, performance is deemed to be unsatisfactory, the College shall so notify the Contractor in writing, and the Contractor shall correct such unsatisfactory conditions within thirty (30) calendar days from receipt of such notification. Any shipment failing to meet or comply fully with the specification requirements will be rejected. The cost of testing a representative sample of an order or shipment for acceptance shall be borne by the College unless the order is rejected for failure to meet specifications or purchase description. In such cases of rejection, the cost of testing will be charged back to the Contractor.

Termination hereunder shall become effective by delivery to contractor of written notice of termination upon which date the termination shall become effective.
