Vendor Questions	MC Response
<p>1) What is the anticipated volume for each requested service/solution? Is there a budget for this project?</p>	<p>a. Every semester is different, but as the RFP indicates it should be up to approximately 1200 per year. MC is offering more in-person courses than remote. b. Budget is based on allocated funding.</p>
<p>2) I was wondering if you could tell me the percentage of hours anticipated to be virtual and on-site for this RFP?</p>	<p>See answers #1 & 3.</p>
<p>3) Can you provide an estimate of onsite and remote hours you anticipate for ASL interpreting services each week based on the past year or past years? (Section 2.3; Scope of Services and Deliverables.)</p>	<p>It really depends on the semester. Sometimes we have an ongoing need for interpreters in a class but mostly it will be department meetings, appointments, sub requests on an as needed basis. Most of our needs are for in-person requests, but we do have some remote needs.</p>
<p>4) Are partial bids accepted?</p>	<p>No. A submittal consisting of the Technical Proposal and the Price Proposal is required when responding to this Request for Proposal. See Section's 1.11 & 1.12 of the RFP document. Failure to provide moted items in your response may deem a proposal non-responsive.</p>
<p>5) How will the work be apportioned?</p>	<p>Requests for services will be issued by the college on an as needed basis by the MC designee(s).</p>
<p>6) What is the estimated value/budget of the contract?</p>	<p>Budget is based on allocated funding.</p>
<p>7) What is the Period of Performance?</p>	<p>The initial term of this contract will be for one (1) year from date of award. Beyond the initial term, at the sole option of the College, the contract may be renewed for four additional one-year terms, subject to funding availability and need.</p>
<p>8) Could you please share past usage statistics broken down by service and language?</p>	<p>Statistical information is not available at this time. We use about 1200 interpreting hours each semester. We have received requests for ASL interpreters, Cued Speech, and captionists. We have used CDIs in the past but that is not a regularly occurring request. There are times we seek ASL interpreters who are bilingual as well.</p>
<p>9) What is the name of the incumbent(s) and their contract number(s)? Did the incumbent cover every single assignment successfully?</p>	<p>a. Vital Signs, LLC, All World Language Consultants, Inc., Sign Language USA, HIS Sign, LLC, Ad Astra, Inc., ASL Interpreter Corps, LLC, and Purple Communications, Inc. b. It depended on the required service needed and availability of the incumbent.</p>

10) What challenges have you faced with similar scope of work from vendors you worked with?	Availability and unavoidable last-minute request.
11) In order for the incumbent not to have an advantage over the other bidders, could you please provide the incumbent rates for each of the services requested in this solicitation?	Pricing varied based on requested services.
12) Can we ask for a debriefing in case we are not awarded?	Yes, if necessitated.
13) Does Montgomery College need other language access services such as written translation and oral interpretation? What is the average length of an interpreting assignment?	a. Not for DSS. b. This really depends on the assignment. As we are a community college there are many events/classes/meetings that have to be covered. These can range from 50 min to 8 hrs.
14) What are the evaluation criteria and how much weight is given to pricing? What mathematical calculation will be used to evaluate pricing?	Technical Proposals will be opened first and evaluated by the College Evaluation Committee based on the substantiated ability of the Offeror to perform the required services described in the RFP documents and the Offeror's responsiveness to the Requirements Checklist on a "go," "no-go" basis only. Pricing is not a factor.
15) If an on-site ASL interpreter is not available, are you amenable to a remote ASL Interpreter?	It depends on the need.
16) As fuel reaches new record high prices and parking costs skyrocket it is very hard to factor these costs into the hourly rate of the interpreters, will you reconsider this limitation for fair compensation of interpreters?	The hourly rates for interpreter services should not include travel expenses. Travel expenses are considered on a case-by-case basis and must be pre-authorized by MC designee.

Vendor Questions	MC Response
1) Historically, what is the demand in hours, per service type, on an annual basis?	Every semester is different, but as the RFP indicates it should be up to approximately 1200 per year. MC is offering more in-person courses than remote. Typically, agencies provide captioning and interpreting for one or two courses ongoing. There is always a need for one-time assignments and these request are as needed.
2) How many assignments are requested with 48 hours or less notice?	The College tries to give as much advance notice as possible. Last minute request is sometime unavoidable, but doesn't happen that frequently.
3) How many Deaf/Hard of Hearing individuals utilize the services?	Approximately 30 deaf students/faculty/staff.
4) What price is the establishment currently paying?	Pricing varies depending on requested services.
5) Does the university hire service providers directly? Will the vendors cover ongoing classes or mostly last-minute needs the college cannot fill?	Yes, we have a group of interpreters that work directly for MC. The requests include ongoing courses, department meetings, events at the college, sub requests or last-minute requests.
6) Historically, how many emergency (less than 24 hours' notice) requests have been made?	Emergency request do happen; however, the majority of our assignments are given advance notice.
7) Section A1: It asks for currently held certifications and/or memberships related to interpreting services? Since we work with 400 interpreters, are you asking for their certifications or that of our organization?	Depending on the request, we may ask for verification of an interpreter's certification.
8) In regards to cancelation in section 2.6, we typically invoice in full for untimely cancellations. Is this stating that if an 8 hour all day assignment were cancelled with less than 48 hours' notice, that we could only invoice for 2 hours?	No, the cancelled assignment can be billed for the length of the requested period.
9) Resumes and Certifications, it states that we should provide a copy of current certification cards, resume, reference level, and screening results. As we work with 400 interpreters, could we just provide a sample of this? All resumes are available upon request, but in the interest here can we just provide an example of 5 interpreters we plan to use with a focus on their resume and certifications?	Yes.

BEHAVIOR OF CONTRACTOR EMPLOYEES The College is committed to providing a work and study environment that is free from discrimination and harassment on the basis of race, color, religious creed, ancestry, national origin, age, sex, marital status, handicap, pregnancy, or status as a disabled veteran or veteran of the Vietnam era. Behavior contrary to this philosophy, which has the purpose or effect of creating an intimidating, hostile, or offensive environment, will not be tolerated by the College, and it is the Contractor’s responsibility to ensure that such behavior by its employees, agents, and subcontractors does not occur. The policy extends to maintaining an environment free from sexual harassment. Therefore, sexual advances or sexual remarks, requests for sexual favors, and other verbal or physical conduct of a sexual nature must not be condoned or permitted by the Contractor. This prohibition extends to such harassment within the employment context as well as harassment of students, staff, and visitors to the College. It should be assumed that all sexual behavior by the Contractor’s employees, agents, and subcontractors on any campus or facility of the College, whether owned, operated, maintained or leased by the College, is improper and unwelcome.

BID AND PERFORMANCE SECURITY If bid security is required, a bid bond or cashier’s check in the amount indicated on the bid cover must accompany each bid and be made payable to Montgomery College. Corporate or certified checks are not acceptable. Bonds must be in a form satisfactory to the College and underwritten by a company licensed to issue bonds in the State of Maryland. If bid security fails to accompany the bid, it shall be deemed unresponsive, unless the Vice President of Procurement deems the failure to be nonsubstantial. Such bid bonds or checks will be returned to all except the three (3) lowest Bidders within five (5) days after the opening of bids, and the remaining checks or bid bonds will be returned to all but successful Bidder(s) within forty-eight (48) hours after award of contract. If a performance bond is required, the successful Bidder must submit an acceptable performance bond in the designated amount of the bid award, prior to award of contract. All bid bonds will be returned to the successful Bidder(s) within forty eight (48) hours after receipt of the performance bond.

BIDDING INSTRUMENTS Bidding instruments include the bid, addenda, general terms and conditions, contract terms, and specifications. Bids should be prepared simply and economically, and should provide a straightforward, concise description of the Bidder's capabilities to satisfy the requirements of the bid. Emphasis should be on completeness and clarity of content. The Bidder will bear any and all costs incurred in the preparation and submission of bids.

BRAND NAMES Brand name materials used in these specifications are known and acceptable. Bids including proposals to use alternate brands are invited as long as they are of equal type and equal or better quality. The burden of proof that alternate brands are in fact equal or better falls on the Bidder, and proof must be to the College's satisfaction.

CARE OF PREMISES Precautions taken for safety and protection shall be in accordance with the mandatory requirements of the safety codes prevailing within the jurisdiction in which the work is to be performed. During the performance of the contract, the Contractor shall take the necessary precautions to protect all areas upon which or adjacent to which work is performed as a part of this contract. Any damage caused as a result of Contractor's neglect, directly or indirectly, shall be repaired to the College's satisfaction at the Contractor's expense.

CANCELLATION Montgomery College reserves the right to cancel this bid solicitation or to reject all bids received, if the College's Vice President of Procurement, in accordance with procedures approved by the College's President, determines that it is fiscally advantageous or in the best interest of the College to cancel the bid.

COMPLIANCE WITH LAWS Bidder agrees to comply, at no additional expense, with all applicable Executive orders, Federal, State, bi-county, regional and local laws, ordinances, rules and regulations in effect as of the date of this agreement and as they may be amended from time to time, including but not limited to the equal employment opportunity clause set forth in 41 CFR 60-250.4.

CONFLICT OF INTEREST No employee of the College or of the State of Maryland, or any department, commission, agency or branch thereof whose duties as employees include matters relating to or affecting the subject matter of this bid shall, while an employee, become or be an employee of the party or parties contracting with the College, the State of Maryland, or any department, commission, agency or branch thereof.

CONTINGENT FEES Bidder hereby declares and affirms that neither it nor any of its representatives has employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee or agent working for the Bidder, to solicit or secure a contract, and that it has not paid or agreed to pay any person, partnership, corporation, or other entity, other than a bona fide employee or agent, any fee or any other consideration contingent on the making of a contract as a result of this solicitation.

CONTRACT AMENDMENTS The College, without invalidating the contract documents, may submit a written request to order extra work or to make changes to the agreement by altering, adding to, or deducting from the work, and the contract sum shall reflect such changes. Price adjustments must be accepted, in writing, by Montgomery College before the supplier performs additional work on the project. The Contractor cannot accept purchase requests for products or services that are not covered in this contract or make changes to the scope of work unless a price for those products or services has been negotiated with the College, and the Contractor has received a signed contract amendment from the Procurement Office.

CONTRACT DEADLINES The Contractor is contractually obligated to meet all agreed upon deadlines. Failure of the Contractor to meet any deadline is grounds for termination by default. If the Contractor defaults, the College reserves the right to assess liquidated damages and/or make an open market purchase.

CONTRACT DOCUMENTS Unless otherwise noted, the general conditions of this bid, the Contractor's bid, and the signed purchase order form the contract. Contractors requiring a signed contract form separate and apart from the foregoing are to submit the contract with their bid. The Contractor's contract form will be examined and evaluated along with the Contractor's bid and, at the College's option, may be utilized as the contract.

CONTRACTOR IDENTIFICATION Contractor's employees are required to wear identification badges and/or carry picture identification when they are on College grounds.

No contract shall be made by Bidder with any other party for furnishing the services to be performed under a contract issued from this solicitation without the written approval of the College. These provisions will not be taken as requiring the approval of the contract of employment between Bidder and its personnel.

NON-COLLUSION Bidder certifies that it has neither agreed, conspired, connived, or colluded to produce a deceptive show of competition in the compilation of the bid or offer being submitted herewith; Bidder also certifies that it has not in any manner, directly or indirectly, entered into any agreement, participated in any collusion to fix the bid price or price proposal of the Bidder or offeror herein or any competitor, or otherwise taken any action in restraint of free competitive bidding in connection with the contract for which the bid or offer is submitted.

Bidder further agrees to post in conspicuous places notices setting forth the provisions of the nondiscrimination clause and to take affirmative action to implement the provisions of this section. Bidder further assures the College that, in accordance with the Immigration Reform and Control Act of 1986, it does not and will not discriminate against an individual with respect to hiring, or recruitment or referral for a fee, of the individual for employment or the discharging of the individual from employment because of such individual’s national origin or in the case of a citizen or intending citizen, because of such individual’s citizenship status.

This policy extends to maintaining an environment free from sexual harassment. Therefore, sexual advances or sexual remarks, requests for sexual favors, and other verbal or physical conduct of a sexual nature must not be condoned or permitted by the Contractor.
