<b>QUESTION:</b>	<b>ANSWER:</b>
1.) Everyone has different terminology concerning paper stocks, and I'd like to confirm your definition of 100# card stock silk. Would 100# cover with a dull aqueous coating be sufficient?	100# card stock with dull aqueous is acceptable / equivalent to silk.
2.) The information on document page 9 (folio 7) and document page 10 (folio 8) seems to be contradictory. If it is an EDDM card, the list info on page 10 is in error. If it is indeed an EDDM, we need to know if the card is to go to residences only, residences + PO boxes, or all (residences + PO boxes + businesses)?	EDDM for all residents only for all Montgomery County MD zip codes.  There will be no list provided from client.
