Vendor Questions	MC Response
1. In the RFP it states that the assessment must be “ a Complete Standards of Excellence (SOE) Review approved by NASFAA”. NASFAA does not have an approval process for methods of assessment provided by other third-party servicers, and the only provider that may align with this would be Blue Icon. Can you please clarify this requirement and if you are looking for specifically an SOE Review, which is offered by Blue Icon specifically?	The College’s preference is NASFAA’s Complete Standards of Excellence (SOE) Review, however we <u>may</u> consider other alternatives.
2. Could you please clarify whether the requirement for “a Complete Standards of Excellence (SOE) Review approved by NASFAA” is mandatory? Would the College consider similar assessments by other qualified firms, even if these assessments are not NASFAA-branded SOE Reviews?	NASFAA’s Complete Standards of Excellence (SOE) Review is preferred, but is not mandatory. Yes, the College <u>may</u> consider similar assessments by other qualified firms.
3. Would you consider a proposal based on proprietary assessment program that covers the same areas—systems, Title IV compliance, customer service, administrative capability, human resources, facilities, and consumer information?	Yes.
4. Could you provide information on the allocated budget for the project? Are there any budgetary constraints or considerations that we should be aware of?	Budget information is not available at this time.
5. Could you clarify the preferred timeline structure for the project? What is the expected timeline for the firm to have everything completed by?	The College’s expectation is the project timeline could be 12- 16 months.
6. Could you confirm if vendors must be registered and in Good Standing with the State of Maryland at the time of proposal submission, or if we could complete the registration process contingent upon contract award? We understand that the finalization of award and contracting will include a Good Standing check, and we want to ensure we meet all requirements appropriately and within the necessary timelines.	Vendors must be registered and in Good Standing with the State of Maryland at the time of proposal submission.

During the 90-day acceptance period, the Contractor’s performance must be consistent with the specifications contained herein and the Contractor’s bid. **DELIVERY OF BIDS** Refer to Section I, and all other Sections referenced in Section I, for Bid/Proposal delivery instructions.

**ERRORS IN BIDS** Bidders are assumed to be informed regarding conditions, requirements, and specifications prior to submitting bids. Failure to do so will be at the Bidder's risk. Bids already submitted may be withdrawn without penalty prior to bid opening. Errors discovered after bid opening may not be corrected. In the case of an error in price extension, the unit price will govern. The intention of the Bidder must be evident on the face of the bid.

**FAILURE TO DELIVER** If the Contractor fails to comply with any established delivery requirements, the College reserves the right to make an open market purchase of required items and to assess, as liquidated damages, the difference between the contract price and the actual cost incurred by the College and to invoice charges to the Contractor.

**NON-ASSIGNMENT AND SUBCONTRACTING** Bidder shall not assign any contract or any rights or obligations hereunder without obtaining prior written consent of the College. No contract shall be made by Bidder with any other party for furnishing the services to be performed under a contract issued from this solicitation without the written approval of the College. **NON-DISCRIMINATION** Bidder assures the College that, in accordance with applicable law, it does not, and agrees that it will not discriminate in any manner on the basis of sex, race, age, color, creed, national origin, religious belief, handicap, marital status, or status as a disabled veteran or veteran of the Vietnam era. Bidder further agrees to post in conspicuous places notices setting forth the provisions of the nondiscrimination clause and to take affirmative action to implement the provisions of this section. Bidder further assures the College that, in accordance with the Immigration Reform and Control Act of 1986, it does not and will not discriminate against an individual with respect to hiring, or recruitment or referral for a fee, of the individual for employment or the discharging of the individual from employment because of such individual’s national origin or in the case of a citizen or intending citizen, because of such individual’s citizenship status.

This policy extends to maintaining an environment free from sexual harassment. Therefore, sexual advances or sexual remarks, requests for sexual favors, and other verbal or physical conduct of a sexual nature must not be condoned or permitted by the Contractor. This prohibition extends to harassment within the employment context as well as harassment of students, staff and visitors to the College. It should be assumed that all sexual behavior by the Contractor’s employees, agents and subcontractors on any campus or facility of the College, whether owned, operated, maintained or leased by the College, is improper and unwelcome. Contractor will also insure that all technicians who work with College users exhibit a high degree of professionalism in their dealings with those users.
