RFP CLOSING DATE AND TIME: MARCH 24, 2024 at 3:00 P.M.

QUESTION:	ANSWER:
1.) What is the intent of Attachment G – Mid Atlantic Purchasing Team Rider Clause? Is it the intention that these entities would be entitled to the pricing provided within our proposed agreement only? We currently have agreements with some institutions that could potentially cause a conflict.	Where the <i>Rider Clause</i> does allow for other state educational institutions, and public agencies to take advantage of the terms and benefits of the resulting contract, the Contractor maintains its right to take exception to any institution noted in the clause to avoid any potential conflicts of interest.
2.) Can you please provide one full year of Coke Bottle & Can and Fountain sales by package and flavor for the three campuses?	This information is not available.
3.) Is the Slingshot Bookstore at the Rockville Campus covered under the Pouring Rights RFP?	Yes, the Pouring Rights contract will extend to the Slingshot Bookstore’s beverage sales only.
4.) What is the revenue for 2024 for all vending machines? If the revenue can be broken down by machine, that would be great. If not, the total revenue for 2024 is just fine?	This information is not available.
5.) What is the current pricing in the vending machines currently?	Beverage pricing is as follows: Soft Drinks 12oz Cans \$2.00; Water 20oz Bottles \$2.50; Soft Drinks 20oz Bottles \$2.50; 100% Juices 16oz \$3.00; 20oz Sport Drinks \$3.00; 20oz Vitamin Waters \$3.00; Specialty Teas \$3.00; Energy Drinks \$4.00 - \$5.00; and Premium Drinks & Coffee \$4.00 - \$5.00.
6.) Are we able to do some site visits at the college to review the current state of equipment? If so, advise on procedure(s) follow.	Offerors are more than welcome to visit College site. However, please be reminded that the resulting contract is strictly for exclusive beverage pouring rights.
7.) Under Section 2.2, it states that this contract is for a beverage vendor for exclusive pouring rights , but under the list of equipment it lists beverage, snacks and fresh food vending options. Is this contract being awarded for just beverages or for all vending machines? Usually when it is pouring rights, it’s sent to Coke and Pepsi to bid for exclusive pouring rights and they provide more than just vending machines. There is also mention of food service management company in section 2.2.4.	This contract is for exclusive beverage pouring rights, only. Refer to item 2 on addendum cover page.

REQUEST FOR PROPOSAL TITLE: POURING RIGHTS
RFP NUMBER: E525-009
RFP CLOSING DATE AND TIME: MARCH 24, 2024 at 3:00 P.M.

Please review all of sections 2.2 to include 2.2.1 through 2.2.4.	
8.) Section 4.1.2, the technical proposal is blacked out on points for evaluation. Are we not being scored on technical proposal?	Per the Evaluation Criteria, item numbers 4.1.2.1a and 4.1.2.1b represent the overall technical score.
9.) Section 6- Revenue proposal: I think you referenced this entire RFP off of a Pouring rights RFP versus Full-Line Vending. Can you re-evaluate this criterion?	The Pouring Rights contractor will <u>not</u> have to manage vending machines. The vending machine contractor will operate vending machines, and they will offer beverages, per the awarded Pouring Rights contract.

SECTION 2 – BACKGROUND AND SCOPE OF WORK

2.1 Background

Montgomery College is Maryland's second oldest community college. The College serves roughly 43,000 students each year, through credit and noncredit programs, at nonresidential campuses located in Germantown (GT), Rockville (RV), Takoma Park/Silver Spring (TP), East County Education Center (EC) and at off-campus sites throughout Montgomery County. To support students' academic and professional goals, the College employs more than 3,365 faculty, administrators, and staff.

The College is home to a richly diverse community of students, faculty, and staff representing more than 120 countries from around the world. From arts exhibits on the TP campus, performance arts events at the Rockville campus, to the Germantown Conference Center, thousands from in and around the community visit our campuses throughout the year as well.

Vending assets are installed across all four campuses. See Section 2.5 for a detailed listing of vending locations and machine types. The number and type of machines is approximate and may vary with campus population shifts, the addition of office space, and expansion. The majority of these machines are also accessible for public use. Additional information about the College can be found on the College's website at www.montgomerycollege.edu.

Montgomery College will engage a vending service company that will be responsible for providing all beverage vending machine equipment throughout life of contract. Vending service firm will also stock all vending machines with pouring rights contractor beverages, and maintain equipment accordingly.

2.2 Scope of Work/Services, Approach, and Deliverables

Montgomery College is seeking a beverage vendor that will provide the maximum financial return to the College in exchange for the contractor receiving exclusive pouring rights, beverage vending product sales, and marketing exposure. The expected value of the agreement should be expressed in various ways, but must include the following: competitive product pricing, pouring rights guaranteed commissions, expertise in supporting the College's beverage sales goals, competitive commissions, excellent customer service, annual support for marketing initiatives, scholarship programs, and other logistical support necessary to serve the institution's high-volume periods, as well as student and staff activities.

The selected vendor shall be able to provide a broad range of recognized brand-name soft drink beverages including, but not limited to, sodas, teas, waters, and juices. All products are to be dispensed from vending machines in bottles or other containers as agreed. Milk, milk based, and hot beverages **are not** included as a part of this contract. Service requirements are as follows:

- 2.2.1 Contractor shall provide three beverage fountains, one at each of the three campus locations. Fountains will be solely maintained by the contractor.
- 2.2.2 Contractor shall be the sole and exclusive provider for soft drinks sold, served, vended or otherwise made available of College grounds, inside of College buildings and under the auspices of the College, except as noted in Special Terms and Conditions.

ACCEPTANCE PERIOD The selected Contractor(s) must agree to an acceptance trial period of performance not to exceed ninety (90) consecutive calendar days. During the 90-day acceptance period, the Contractor's performance must be consistent with the specifications contained herein and the Contractor's bid. Failure to satisfy the "acceptance trial period of performance" may result in cancellation of the contract. In the event that the Contractor fails to meet all requirements, the College shall declare the Contractor's services unacceptable and the Contractor in default, and terminate all agreements, written or verbal, without penalty or obligation to the College. Further, should there be any dispute/discrepancy on acceptability of said service, decisions made by the College will prevail and be final.

ADDENDA The College reserves the right to amend or add to this bid at any time prior to the bid due date. If it becomes necessary to change or add to any part of this bid, the Procurement Officer will furnish an addendum to all prospective Bidders listed as having received a copy of this bid. All addenda will be identified as such and will be sent by mail, email, or fax transmittal.

ADDITIONAL ORDERS Unless it is specifically stated to the contrary in the bid response, the College reserves the option to place additional orders against a contract awarded as a result of this solicitation at the same terms and conditions, if it is mutually agreeable.

ASSURANCE OF NON-CONVICTION OF BRIBERY The Bidder hereby declares and affirms that, to its best knowledge, none of its officers, directors or partners and none of its employees directly involved in obtaining contracts has been convicted of bribery, attempted bribery or conspiracy to bribe under the laws of any state or the Federal government.

AUDIT Bidder shall permit audit and fiscal and programmatic monitoring of the work performed under any contract issued from this solicitation. The College shall have access to and the right to examine and/or audit any records, books, documents and papers of Bidder and any subcontractor involving transactions related to this agreement during the term of this agreement and for a period of three (3) years after final payment under this agreement.

AWARD CONSIDERATIONS Awards of this bid will be made to the lowest responsible Bidder conforming to specifications with consideration being given to quantities involved, time required for delivery, purpose for which required, responsibility of bidder and its ability to perform satisfactorily with consideration to any previous performance for Montgomery College. A bid may be awarded at the sole discretion of the College in the best interest of the College. Prompt payment discounts will not be considered in bid evaluation. All discounts other than prompt payment are to be included in bid price.

BEHAVIOR OF CONTRACTOR EMPLOYEES The College is committed to providing a work and study environment that is free from discrimination and harassment on the basis of race, color, religious creed, ancestry, national origin, age, sex, marital status, handicap, pregnancy, or status as a disabled veteran or veteran of the Vietnam era. Behavior contrary to this philosophy, which has the purpose or effect of creating an intimidating, hostile, or offensive environment, will not be tolerated by the College, and it is the Contractor's responsibility to ensure that such behavior by its employees, agents, and subcontractors does not occur. The policy extends to maintaining an environment free from sexual harassment. Therefore, sexual advances or sexual remarks, requests for sexual favors, and other verbal or physical conduct of a sexual nature must not be condoned or permitted by the Contractor. This prohibition extends to such harassment within the employment context as well as harassment of students, staff, and visitors to the College. It should be assumed that all sexual behavior by the Contractor's employees, agents, and subcontractors on any campus or facility of the College, whether owned, operated, maintained or leased by the College, is improper and unwelcome.

BID AND PERFORMANCE SECURITY If bid security is required, a bid bond or cashier's check in the amount indicated on the bid cover must accompany each bid and be made payable to Montgomery College. If bid security fails to accompany the bid, it shall be deemed unresponsive, unless the Vice President of Procurement deems the failure to be nonsubstantial. Such bid bonds or checks will be returned to all except the three (3) lowest Bidders within five (5) days after the opening of bids, and the remaining checks or bid bonds will be returned to all but successful Bidder(s) within forty-eight (48) hours after award of contract. Bids should be prepared simply and economically, and should provide a straightforward, concise description of the Bidder's capabilities to satisfy the requirements of the bid. Emphasis should be on completeness and clarity of content. The Bidder will bear any and all costs incurred in the preparation and submission of bids.

BRAND NAMES Brand name materials used in these specifications are known and acceptable. Bids including proposals to use alternate brands are invited as long as they are of equal type and equal or better quality. The burden of proof that alternate brands are in fact equal or better falls on the Bidder, and proof must be to the College's satisfaction.

CARE OF PREMISES Precautions taken for safety and protection shall be in accordance with the mandatory requirements of the safety codes prevailing within the jurisdiction in which the work is to be performed. During the performance of the contract, the Contractor shall take the necessary precautions to protect all areas upon which or adjacent to which work is performed as a part of this contract. Any damage caused as a result of Contractor's neglect, directly or indirectly, shall be repaired to the College's satisfaction at the Contractor's expense.

CANCELLATION Montgomery College reserves the right to cancel this bid solicitation or to reject all bids received, if the College's Vice President of Procurement, in accordance with procedures approved by the College's President, determines that it is fiscally advantageous or in the best interest of the College to cancel the bid.

COMPLIANCE WITH LAWS Bidder agrees to comply, at no additional expense, with all applicable Executive orders, Federal, State, bi-county, regional and local laws, ordinances, rules and regulations in effect as of the date of this agreement and as they may be amended from time to time, including but not limited to the equal employment opportunity clause set forth in 41 CFR 60-250.4.

CONFLICT OF INTEREST No employee of the College or of the State of Maryland, or any department, commission, agency or branch thereof whose duties as employees include matters relating to or affecting the subject matter of this bid shall, while an employee, become or be an employee of the party or parties contracting with the College, the State of Maryland, or any department, commission, agency or branch thereof.

CONTINGENT FEES Bidder hereby declares and affirms that neither it nor any of its representatives has employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee or agent working for the Bidder, to solicit or secure a contract, and that it has not paid or agreed to pay any person, partnership, corporation, or other entity, other than a bona fide employee or agent, any fee or any other consideration contingent on the making of a contract as a result of this solicitation.

CONTRACT AMENDMENTS The College, without invalidating the contract documents, may submit a written request to order extra work or to make changes to the agreement by altering, adding to, or deducting from the work, and the contract sum shall reflect such changes. Price adjustments must be accepted, in writing, by Montgomery College before the supplier performs additional work on the project. The Contractor cannot accept purchase requests for products or services that are not covered in this contract or make changes to the scope of work unless a price for those products or services has been negotiated with the College, and the Contractor has received a signed contract amendment from the Procurement Office.

CONTRACT DEADLINES The Contractor is contractually obligated to meet all agreed upon deadlines. Failure of the Contractor to meet any deadline is grounds for termination by default. If the Contractor defaults, the College reserves the right to assess liquidated damages and/or make an open market purchase.

CONTRACT DOCUMENTS Unless otherwise noted, the general conditions of this bid, the Contractor's bid, and the signed purchase order form the contract. Contractors requiring a signed contract form separate and apart from the foregoing are to submit the contract with their bid. The Contractor's contract form will be examined and evaluated along with the Contractor's bid and, at the College's option, may be utilized as the contract.

CONTRACTOR IDENTIFICATION Contractor's employees are required to wear identification badges and/or carry picture identification when they are on College grounds.

NON-COLLUSION Bidder certifies that it has neither agreed, conspired, connived, or colluded to produce a deceptive show of competition in the compilation of the bid or offer being submitted herewith; Bidder also certifies that it has not in any manner, directly or indirectly, entered into any agreement, participated in any collusion to fix the bid price or price proposal of the Bidder or offeror herein or any competitor, or otherwise taken any action in restraint of free competitive bidding in connection with the contract for which the bid or offer is submitted.

Examples of equivalent access include keyboard controls used for input and synthesized speech, Braille, or other audible or tactile means used for output."

It is understood, however, that if at any time during the term of the contract, performance is deemed to be unsatisfactory, the College shall so notify the Contractor in writing, and the Contractor shall correct such unsatisfactory conditions within thirty (30) calendar days from receipt of such notification. If such corrections are not made within the specified period, the College may terminate the contract.

Any shipment failing to meet or comply fully with the specification requirements will be rejected. The cost of testing a representative sample of an order or shipment for acceptance shall be borne by the College unless the order is rejected for failure to meet specifications or purchase description. In such cases of rejection, the cost of testing will be charged back to the Contractor.
