The proposed technology solution will be hosted by the Vendor or by a qualified third-party Vendor. The Vendor or its subsidiaries or subcontractors shall not transmit data on or through the College network or any devices that are a part of that network or store data on any devices that are part of that network. The College requires that all of its data be stored in the continental U.S. To review Montgomery College Information Technology Standards, visit: https://info.montgomerycollege.edu/offices/information-technology/it-security/it_standards.html.

All college vendors or potential vendors who provide technology resources or services in the form of software, hardware, electronic content, or support documentation and services as well as those vendors who host and/or process College data in support of service offerings must provide evidence of its security program and posture *prior to contract award*. This includes the satisfactory completion (as determined by Montgomery College IT Security personnel) an associated questionnaire(s) on security and privacy controls, and/or provide supporting documentation, e.g. SOC 2 report.

Note: The College reserves the right to disqualify any bidding firm that fails to provide a satisfactory questionnaire and/or current SOC 2 report, upon request.

In addition, specific controls are required to support the confidentiality, integrity, and availability of college data, including but not limited to:

Any transmission, transportation or storage of Protected Information outside the United States is prohibited except on prior written authorization by the College.

8. Vendor must provide its latest SOC 2 Type 2 reports, penetration test reports, PCI Attestations of Compliance for Service Providers, and any other relevant updated security documentation when it becomes available, or at least 60 days prior to renewals, or upon request by Montgomery College.
9. Vendor acknowledges and agrees that the College has, prior to entering into the Agreement, conducted Vendor Security Risk Assessments. Vendor agrees that it shall complete and cause its affiliates and subcontractors to complete remediation if required.

4.2.4 Return and Destruction of Protected Information

Within 30 days of the termination, cancellation, expiration or other conclusion of the Agreement, Vendor shall return the Protected Information to College in an agreed upon format, and Vendor must destroy any copies of Protected Information remaining within its possession or control. ADDITIONAL ORDERS Unless it is specifically stated to the contrary in the bid response, the College reserves the option to place additional orders against a contract awarded as a result of this solicitation at the same terms and conditions, if it is mutually agreeable.

ASSURANCE OF NON-CONVICTION OF BRIBERY The Bidder hereby declares and affirms that, to its best knowledge, none of its officers, directors or partners and none of its employees directly involved in obtaining contracts has been convicted of bribery, attempted bribery or conspiracy to bribe under the laws of any state or the Federal government.

AUDIT Bidder shall permit audit and fiscal and programmatic monitoring of the work performed under any contract issued from this solicitation. The College shall have access to and the right to examine and/or audit any records, books, documents and papers of Bidder and any subcontractor involving transactions related to this agreement during the term of this agreement and for a period of three (3) years after final payment under this agreement.

AWARD CONSIDERATIONS Awards of this bid will be made to the lowest responsible Bidder conforming to specifications with consideration being given to quantities involved, time required for delivery, purpose for which required, responsibility of bidder and its ability to perform satisfactorily with consideration to any previous performance for Montgomery College. A bid may be awarded at the sole discretion of the College in the best interest of the College. Prompt payment discounts will not be considered in bid evaluation. All discounts other than prompt payment are to be included in bid price.

BEHAVIOR OF CONTRACTOR EMPLOYEES The College is committed to providing a work and study environment that is free from discrimination and harassment on the basis of race, color, religious creed, ancestry, national origin, age, sex, marital status, handicap, pregnancy, or status as a disabled veteran or veteran of the Vietnam era. Behavior contrary to this philosophy, which has the purpose or effect of creating an intimidating, hostile, or offensive environment, will not be tolerated by the College, and it is the Contractor's responsibility to ensure that such behavior by its employees, agents, and subcontractors does not occur. The policy extends to maintaining an environment free from sexual harassment. Therefore, sexual advances or sexual remarks, requests for sexual favors, and other verbal or physical conduct of a sexual nature must not be condoned or permitted by the Contractor. This prohibition extends to such harassment within the employment context as well as harassment of students, staff, and visitors to the College. Price adjustments must be accepted, in writing, by Montgomery College before the supplier performs additional work on the project.

If the Contractor defaults, the College reserves the right to assess liquidated damages and/or make an open market purchase.

CONTRACT DOCUMENTS Unless otherwise noted, the general conditions of this bid, the Contractor's bid, and the signed purchase order form the contract. Contractors requiring a signed contract form separate and apart from the foregoing are to submit the contract with their bid.
