Vendor Question	Montgomery College Answer
Who (if anyone) has been providing program evaluation services for you for National Science Foundation grant-funded programs to date?	We have utilized both internal and external independent evaluators for our NSF-supported projects. JCJ is providing evaluation services for our current NSF ATE project.
Can you share an estimated range of the number of NSF proposals submitted by Montgomery College each year?	The number of NSF proposals has varied each year. Currently, we have two proposals under consideration. We are lead applicant for one, and a collaborator in another. Our active projects can be searched via nsf.gov.
Whether companies from Outside USA can apply for this? (Example: India or Canada)	No
Whether we need to come over there for meetings?	Yes
Can we perform the tasks (related to RFP) outside USA? (Example: India or Canada)	Possibly
Can we submit the proposals via email?	Yes, as required in solicitation
