*[By Joanne Carl, TVRA Coordinator Broadcast Media Production]*

TVRA Part Time faculty member **Biljana Milenkovic** has been honored by the non-profit organization Mary's House with the 2016 "Youth in Action" award, along with two of her students. The award is in recognition of a video created by Jacob Ehlers and Adrian Zlotescu to promote the non-profit. Mary's House for Older Adults, Inc. is committed to helping our community by developing housing that comprehensively addresses affordability and access, and eliminates the constant worry of discrimination or even violence based upon the LGBTQ/SGL status of the individual.
