

## Professional Development Assistance Program (PDAP) Affidavit for Course Completion

To remain eligible for continued financial benefits under PDAP, employees must submit proof of satisfactory completion for any course, seminar, conference, and/or workshop covered by PDAP benefits. In addition, a passing grade is required for all PDAP-covered credit courses.

If you are not provided documentation from the educational institution or organization upon completion of any PDAP-covered course, seminar, conference, and/or workshop, then this affidavit may be used to satisfy this requirement and it is not valid unless completed in its entirety and signed and dated by the employee.

Upon completion, please submit your PDAP Affidavit for Course Completion to [PDAPRequests@montgomerycollege.edu](mailto:PDAPRequests@montgomerycollege.edu), or upload with your Spend Authorization and Expense Report documentation.
